Raymond Kane, a founding director of the Firm, practices in the Real Estate, Business & Corporate, Financial Services, and Distressed Assets Practice Areas.

He focuses on real estate, lending, corporate and federal taxation matters, including fund and partnership formation and operational matters which impact promoters, operators and developers governed by SEC Regulation D. His principal practice areas involve the representation of developers, tenants, lenders and operators in all aspects of real estate transactions, including land use, planning, construction and lending matters, as well as the representation of developers, lenders, operators, landlords and tenants in retail, office, hospitality, mixed use and industrial development and leasing transactions. In addition, he has significant experience in the formation and operation of commercial and residential condominiums, transactions involving ground leases and tenancy in common forms of ownership, the formation and operation of mitigation banks, as well as the federal tax aspects of real estate acquisition, leasing, lending and disposition transactions.
