

Offset Wells and the Ongoing "Fixed"-Versus-"Floating" Royalty Saga

Energy Law, Mineral Leases, Royalty Disputes, Title Disputes / October 14, 2018 / Thomas G. Ciarlone Jr.

In the **latest episode** of our **energy law podcast**, learn when an "offset well" is not an offset well, according to the Texas Supreme Court. Also, get up to speed on the latest installment in the ongoing "fixed"-versus-"floating" royalty saga that continues to confound courts and counsel across the Lone Star State.
