

Litigation

KRCL has the experience and capacity to manage litigation of any complexity in state and federal courts both inside and outside of Texas. Additionally, our trial attorneys provide counsel on risk management and litigation avoidance, including the use of such alternative dispute resolution methods as arbitration and mediation. Several of the Firm's attorneys are qualified mediators in the State of Texas.

The attorneys in our Litigation practice group provide a wide variety of legal services to businesses of all types, individuals, self-insured businesses and insurance carriers, with extensive experience in various subject areas including:

- Appellate
- Banking & Financial Services
- Construction
- Corporate & Partnership
- Cyber Law & Data Privacy
- Deceptive Trade Practices
- Dram Shop
- Employment
- Energy
- Environmental
- General Business & Commercial Litigation
- Inadequate/Improper Personal or Property Security
- Insurance Defense & Coverage
- Intellectual Property
- Large Loss Subrogation
- Media & First Amendment
- Medical/Sham Peer Review
- Personal Injury & Wrongful Death
- Premises Liability & Inadequate Security
- Products Liability
- Professional & Fiduciary Liability
- Railroad
- Real Estate
- Rico & Fraud
- Toxic Tort
- Transportation

The Litigation Section also works closely with the other sections of the Firm in an effort to aid our clients in avoiding costly litigation by drafting appropriate contractual provisions and by assessing, in advance, the likelihood of litigation or the probable outcome of litigation that may result from a particular transaction or course of conduct. Our attorneys also work with clients to develop, prepare and implement corporate policies and procedures to alleviate or lessen the impact of potential litigation and review corporate operating practices and procedures for problem areas that may increase exposure to litigation.
